

A PARTNERSHIP BETWEEN

0% Interest Business Loans

Business Ownership Initiative (BOI) is a local non-profit aiming to help Central Indiana residents start and grow businesses. As a business unit of the Indy Chamber, BOI supports entrepreneurs by offering a variety of resources including free one-on-one business coaching, small business loans, and workshops.

Access to capital has been cited as one of the biggest barriers to growth for entrepreneurs, disproportionately affecting minority business owners. Through a partnership with Forward Cities, BOI is providing affordable access to capital for Black and Brown entrepreneurs who live in areas without sufficient support from financial institutions. This 0% interest revolving loan fund allows microbusinesses and small business startups to acquire more equipment and supplies and pay short-term laborers in order to increase sales or stabilize their business.

LOAN DETAILS

- \$1,000 to \$5,000
- Available for start-ups or existing businesses in four zip codes: 46205, 46208, 46218, 46222
- No minimum credit score required

BENEFITS OF A BOI 0% INTEREST SMALL BUSINESS LOAN

0% INTEREST

Through this loan program, you only pay back the amount you borrow. Say goodbye to interest!

CREDIT & RELATIONSHIP BUILDING

This loan is great for building credit and a relationship with BOI, helping prepare you for a larger loan or traditional lending down the road.

FREE BUSINESS COACHING

Because we know running a business and navigating the lending process can be difficult, we provide free technical assistance and coaching along the way.
