HEALTH CAREER
OPPORTUNITY PROGRAM

HOOSIER HEALTH ACADEMY

mici-ahec.uindy.edu

Hoosier Health Academy

Students will have 6 weeks full of academic enrichment through the use of interactive and experiential learning techniques that allows students to explore math and science.

The Academy will feature popular areas of science presented by members of the National Organization for the Professional Advancement of Black Chemists and Chemical Engineers (NOBCChE), as well as, receive career insight of the medical field directly from health professionals.

In addition to the featured academics, students will have the opportunity to learn more about themselves, others, and the world around them. There will be a distinct overall focus on learning professionalism. Academy graduates will have an edge over their peers when applying to colleges or health professions schools.

FEATURED HIGHLIGHTS

- ♥ Experimental Science Activities
- ♥ Professional Healthcare Provider guest speakers
- ♥ Financial Literacy
- ♥ Cultural Competency
- ♥ Character Development
- ♥ Writing Workshop

REQUIREMENTS & ELIGIBILITY

The Hoosier Health Academy is open to students who currently attend high school in the Indianapolis area.
