

Immersive Industry Experiences

What is TIE-IN?

- TIE-IN is an exclusive initiative designed to bridge the classroom with industry
- Earn PGP Points while experiencing behind the scenes tours of different industries across Indiana and gain new insights to bring back into the classroom to enrich curriculum with real-world tie-ins and to create future-focused learning experiences for students
- Network with industry leaders and educators from across Indiana to expand collaborative opportunities available

What is my involvement level?

- Go on Industry Tours (4-6 hours per event)
- Develop a multimedia summary project based on your reflection from the experience
 - Teachers will receive support and mentorship with the project
 - **Earn a 2.5 on rubric and receive the TIE-IN Stipend up to \$1,000**

Next Steps?
