For over 30 years, PIC has remained the leading provider of full-service quality solutions, servicing the automotive, aerospace and manufacturing industries throughout the United States, Canada and most recently, Mexico. As the only full-service quality solutions provider of its kind, PIC provides containment, inspection, quality engineering consultants, training, and supplier development services. Not only do our quality solutions help customers meet their immediate needs, but they help to rectify quality issues long term. With our extensive geographic footprint, we are the largest global provider of quality solutions with the ability to respond quickly and effortlessly, when and where our customers need us. Following a merger with TRIGO Group in November 2015, PIC has expanded its geographic footprint globally and created the largest and most comprehensive breadth of quality solutions available worldwide. Our team of over 7,000 professionals delivers Quality Assurance Services in over 20 countries.

PIC is committed to the core values of equal employment opportunity. We are committed to treating people fairly, and with respect and dignity. We offer employment opportunities based upon an individual's qualifications and performance, free from discrimination or harassment because of race, ancestry, place of origin, ethnic origin, color, citizenship, creed, sex, sexual orientation, age, marital status, family status, and disability.
