I. Introduction

EmployIndy drives growth in Marion County by investing \$20 million a year in public, private, and philanthropic funds in innovative strategies focused on reducing barriers for residents so they may have access to career pathways and gain needed skills to excel in the workforce, thus presenting employers with qualified candidates to fulfill their hiring needs. This ABC (Any Job, Better Job, Career) Approach exemplifies the transitional goal for both workers and employers, realizing that having access to a career and skilled workers is a journey, not just a destination.

As the Workforce Development Board (WDB) for Marion County, guided by 21 business, civic, education and non-profit community leaders, EmployIndy focuses on the following three strategies:

1. Addressing systemic barriers preventing a strong pipeline of entry level workers and employment opportunities
2. Creating a positive trajectory for young adults to actively participate in the workforce
3. Creating an employer-driven urban neighborhood workforce development framework that can be replicated throughout Indianapolis.

II. Statement of Purpose

EmployIndy is soliciting proposals for an entity to serve as the One-Stop Operator of the WorkOne Indy System. Under the Workforce Innovation and Opportunity Act (WIOA), the One-Stop Operator's role is to coordinate the service delivery of required one-stop partners and service providers. EmployIndy is seeking a One-Stop Operator who will act as a consultant to assist with implementing the strategic vision of the WDB by focusing on coordinating required partner activities and building relationships with ecosystem partners.

III. Contract Type

Contracts executed as a result of this RFP will be paid through cost reimbursement based on the scope of work for negotiated services, deliverables, outcomes, and outputs. The single funding source will be WIOA funds, and EmployIndy will contract between \$50,000 and no more than \$100,000 over a period of 12 months. The One-Stop Operator will serve in this role from July 1, 2019 until June 30, 2020, with an option for parties to extend the services for up to two successive years through June 30, 2022.

IV. System Overview

The Workforce Opportunity Innovation Act

WIOA is the federal law that creates and funds the workforce development system. It is administered by the U.S. Department of Labor (U.S. DOL) and the Indiana Department of Workforce Development (DWD) to provide job seekers more seamless access to a system of high-quality career services, education, and training through the one-stop delivery system. Businesses inform and guide the workforce system, ensuring that services are well aligned with employer needs and to compete in the global economy. WIOA funding is distributed to states and subsequently to local WDBs. EmployIndy serves as the WDB for Marion County. All

services provided by agents and service providers must meet the performance goals set by U.S. DOL, DWD, and EmployIndy.

Bidders should have a strong understanding of WIOA and its requirements.

WIOA is divided into four titles, each of which is briefly discussed below:

Title I: Workforce Development Activities

Title I governs the one-stop delivery system, for which EmployIndy is most directly responsible. Title I-A requires EmployIndy to engage in regional coordination. The One-Stop Operator is specifically charged with assisting EmployIndy in this coordination.

Title I-B creates in each local region a one-stop delivery system comprised of these training and career services, programs under Titles II, III, and IV, and other federally required partner programs. Additionally, Title I-B outlines the provision of training services and career services to adults, dislocated workers, out-of-school youth, and in-school youth. In Marion County, training and career service providers are determined by service providers competitively selected by EmployIndy.

Title II: Adult Education and Literacy Act

Title II impacts the Adult Education and Literacy Act, which is intended to “create a partnership among the Federal Government, States, and localities to provide, on a voluntary basis, adult education and literacy activities.” The purpose of Title II is to “assist adults to become literate and obtain the knowledge and skills necessary for employment and economic self-sufficiency.” EmployIndy currently partners with seven area adult education and literacy providers receiving WIOA Title II funds through DWD for Adult Basic Education (ABE) and Integrated English Literacy & Civics Education (IELCE) programs.

Title III: Wagner-Peyser Act of 1933

Title III is the Wagner-Peyser Act. “The Wagner-Peyser Act of 1933 established a nationwide system of public employment offices known as the Employment Service. The Act was amended in 1998 to make the Employment Service part of the One-Stop services delivery system.”

Further, “The Employment Service focuses on providing a variety of employment related labor exchange services including but not limited to job search assistance, job referral, and placement assistance for job seekers, re-employment services to unemployment insurance claimants, and recruitment services to employers with job openings.”

In Indianapolis, the Wagner-Peyser Act is implemented by the Department of Workforce Development.

Title IV: Rehabilitation Act of 1973

Title IV affects the Rehabilitation Act of 1973 and the provision of vocational rehabilitation services. Based on findings that “individuals with disabilities experience staggering levels of

unemployment and poverty,” vocational rehabilitation services are provided to help individuals with disabilities “prepare for, obtain, or retain employment.”

In Indianapolis, the Vocational Rehabilitation program is implemented by the Indiana Family and Social Services Administration.

The Marion County Workforce Development System

Through its five-year strategic plan, EmployIndy has deliberately deepened its effort on the five high-priority neighborhood clusters in the Near East (46201), North West (46208), Mid-North (46205), North East Corridor (46218), and Far East (46235). In these neighborhood clusters and beyond, an estimated 80,000 Marion County residents are unemployed, under-employed or marginally attached to the workforce. Another 30,000 Opportunity Youth and young adults lack the skills and resources necessary to make *smart choices* about their education and careers. EmployIndy has reduced its footprint of physical centers and established a system that is designed to meet residents and participants where they are. This has required and will continue to require rigorous and meticulous coordination with our required one-stop partners and with community-based organizations who are intimately tied into their neighborhoods and the needs of their residents.

As EmployIndy continues to decentralize service delivery, the One-Stop Operator is expected to function as a backbone that provides the infrastructure to accelerate change across the local system. EmployIndy is increasingly applying an intentional, place-based approach to delivering education, training, employability skills, and work-based learning at the neighborhood level to advance strong and supportive communities. In so doing, we believe we have the responsibility and capability to serve as a catalyst for community-level progress by strengthening the public workforce system and our local network of employment and training service providers.

EmployIndy has recently consolidated three WorkOne Indy offices into a single location at 4410 N Shadeland Avenue, Indianapolis, IN 46226. The WorkOne Indy office provides Career Services to employers and job seekers of Marion County. Beyond the physical center, the WorkOne Indy System deploys tools and products including a self-service labor exchange system, embeds WorkOne Indy professionals at community locations across Marion County, and assists the needs of employers through the EmployIndy Business Solutions Team. Additional funds are deployed at the community level for workforce services, projects, and initiatives that enable residents and workers to gain the skills and support needed to navigate jobs and careers directly in their neighborhood centers.

WorkOne Indy Service Delivery Team

Overseen by the EmployIndy Career Services Team, WorkOne Indy Service Delivery Team provides career services at the WorkOne Indy Office, which is the cornerstone of EmployIndy’s employment and training service delivery model in Marion County. The WorkOne Indy Service Delivery Team offers a variety of services from multiple entities, including, but not limited to, adult education, job search, job training and job placement services through the Trade Assistance Act (TAA), Workforce Innovation and

Opportunities Act (WIOA), Reemployment Services and Eligibility Assessments (RESEA), and Veteran services.

The office also acts as the central location to provide free resources to the constituency of Marion County such as meeting space for employers, computer and internet access for job search, and access to additional community partners.

Embedded WorkOne Indy Services

EmployIndy is working to be representative of the unique needs of Marion County residents by ensuring career services are accessible in all target impact areas. Embedded services are consistent with those available at WorkOne Indy and are accessible to residents in community locations around Marion County at the same day/s and same time/s each week. These services eliminate duplication of career services in a location and provide complimentary, value-added services to those already delivered by ecosystem partners.

WorkOne Indy Community Workshops

In addition to embedding services to enhance accessibility for residents, EmployIndy provides no-cost facilitation of WorkOne Indy workshops to neighborhood and community based organizations. Six job seeker workshops are currently available including: networking, resume writing, applying for jobs online, A New You, and WorkOne resources.

WIOA Required Partners

WIOA outlines specific entities who fulfill explicit roles and benefits within the WorkOne Indy System who must partner together to improve the delivery of services across the WorkOne Indy System. WIOA requires EmployIndy and all required partners to enter into a partnership memorandum of understanding (MOU) relating to the operation of the one-stop delivery system. The One-Stop Operator will be responsible for executing the partner MOU on an annual basis. These required activities and the respective local WorkOne Indy partners include:

V. Specifications and Scope of Work

EmployIndy is seeking an entities to serve as the One-Stop Operator. The role of the One-Stop Operator in Marion County to assist with implementing the strategic vision of the WDB by focusing on coordinating required partner activities and building relationships with ecosystem partners.

One-Stop Operator Bidder Eligibility

The One-Stop Operator may be a single entity or a consortium of entities. A consortium of entities must include a minimum of three of the required one-stop partners. The One-Stop Operator may be public, private, or non-profit. The One-Stop Operator may operate one or more One-Stop Centers, however EmployIndy seeks to select only one One-Stop Operator for the local area. The following entities may be a One-Stop Operator:

- (1) An institution of higher education;
- (2) An Employment Service State agency established under the Wagner-Peyser Act;
- (3) A community-based organization, nonprofit organization, or workforce intermediary;
- (4) A private for-profit entity;
- (5) A government agency;
- (6) A Local WDB, with the approval of the chief elected official and the Governor; or
- (7) Another interested organization or entity, which is capable of carrying out the duties of the One-Stop Operator. Examples may include a local chamber of commerce or other business organization or a labor organization.

Elementary schools and secondary schools may not be a One-Stop Operator unless it is a non-traditional public secondary school, such as a night school, adult school, or area career and technical education school.

Fiscal Requirements of One-Stop Operator

Any entity serving as the One-Stop Operator must understand the Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (2 C.F.R. part 200). Any for-profits must understand the Office of Management and Budget's *Contract Cost and Price* (2 C.F.R. 200.323(b)) regarding negotiation of profits.

Duties of the One-Stop Operator

EmployIndy expects the One-Stop Operator to support the mission and vision of EmployIndy by implementing the following duties in partnership with the WDB:

1. Coordinate the service delivery of required one-stop partners and service providers with a focus on ensuring that all one-stop partners and providers share common goals around access and quality of services for customers;
2. Develop and incorporate a two-way referral system between ecosystem partners;
3. Identify partner training needs and best practices in order to develop and manage robust and ongoing Ecosystem Enrichments that is valuable to ecosystem partners;
4. Assist in the development of processes to support the mission and vision for partner integration and assist with implementation of policies developed by EmployIndy where necessary;
5. Identify training needs of ecosystem partners and make recommendations to EmployIndy to keep the Learning Management System responsive to partner needs;
6. Make additional recommendations to EmployIndy regarding improvement of service delivery, communication and other opportunities to strengthen the overall system;
7. Develop and coordinate the annual Partnership MOU and Infrastructure Funding and Additional Cost Funding Agreements.
8. Facilitate, at a minimum, quarterly meetings with required partners, focusing on coordinating partner services.

According to WIOA, the One-Stop Operator may not perform any of the following duties:

1. Convening system stakeholders to assist in the development of the Local Plan;
2. Preparing and submitting Local Plans;
3. Being responsible for oversight of itself;
4. Managing or significantly participating in the competitive selection process for One-Stop Operators;
5. Selecting or terminating One-Stop Operators, career services, and youth providers;
6. Negotiating local performance accountability measures;
7. Developing and submitting budget for activities of EmployIndy in the local area.

An entity serving as a One-Stop Operator, that also serves a different role within the one-stop delivery system, may perform some or all of these functions when it is acting in its other role, if it has established sufficient firewalls and conflict of interest policies and procedures.

VI. Performance Goals

Federally Required Measurements

WIOA and DWD establish primary indicators of success for its programs. These indicators are the metrics for which EmployIndy is held accountable by the U.S. DOL and state performance. The primary indicators of success for Adult, Dislocated Workers, Title II, Title III, and Title IV programs are the following:

1. The percentage of program participants who are in unsubsidized employment during the second quarter after exit from the program;
2. The percentage of program participants who are in unsubsidized employment during the fourth quarter after exit from the program;
3. The median earnings of program participants who are in unsubsidized employment during the second quarter after exit from the program;
4. The percentage of program participants who obtain a recognized postsecondary credential, or a secondary school diploma or its recognized equivalent during participation in or within 1 year after exit from the program;
5. The percentage of program participants who, during a program year, are in an education or training program that leads to a recognized postsecondary credential or employment and who are achieving measurable skill gains toward such a credential or employment;
6. The indicators of effectiveness in serving employers;
7. The percentage of individuals in a region that are meaningfully engaged by the workforce system in comparison to the ideal number of unemployed and underemployed individuals in the region;
8. The percentage of WIOA and Wagner -Peyser performance participants who are in unsubsidized employment within the first quarter after exit from the program; and
9. The median wage change for WIOA and Wagner-Peyser performance participants in a region who are in unsubsidized employment during the second quarter after exit from the program.

The primary indicators for youth programs are:

1. Percentage of program participants who are in education or training services, or in unsubsidized employment during second quarter after exit;
2. Percentage of program participants who are in education or training services, or in unsubsidized employment during fourth quarter after exit;
3. The median earnings of program participants who are in unsubsidized employment during the second quarter after exit from the program;
4. The percentage of program participants who obtain a recognized postsecondary credential, or a secondary school diploma or its recognized equivalent during participation in or within 1 year after exit from the program;

5. The percentage of program participants who, during a program year, are in an education or training program that leads to a recognized postsecondary credential or employment and who are achieving measurable skill gains toward such a credential or employment; and
6. The indicators of effectiveness in serving employers.
7. The percentage of individuals in a region that are meaningfully engaged by the workforce system in comparison to the ideal number of unemployed and underemployed individuals in the region;
8. The percentage of WIOA and Wagner -Peysner performance participants who are in unsubsidized employment within the first quarter after exit from the program; and
9. The median wage change for WIOA and Wagner-Peysner performance participants in a region who are in unsubsidized employment during the second quarter after exit from the program.

The One-Stop Operator will not be directly measured on these outcomes. However, they are indicative of EmployIndy's priorities, and respondents should demonstrate how they will contribute to EmployIndy's ability to successfully achieve federal performance measures.

One-Stop Operator System Measurements

EmployIndy intends to evaluate and perform a yearly monitoring of the One-Stop Operator based on performance outcomes and outputs. EmployIndy has not finalized specific performance indicators for the One-Stop Operator and will do so based on what's proposed by the respondent during the contract negotiations period. Some examples of output indicators include:

- Number of partner meetings;
- Number of ecosystem partners at Ecosystem Enrichment; and
- Increase in referrals among required partners.

EmployIndy strongly encourages respondents to propose indicators believed to be appropriate measures for determining community-level progress among partners and providers of the local WorkOne Indy System.
